

CHRISTIAN LIBERTY ENROLLMENT HIGH SCHOOL CHOICE OPTIONS

While you may choose all of your student's courses throughout high school, you are **not required** to do so. If you are unsure about which course to pick in a particular grade level or area of study, allow Christian Liberty to select it for you. Our experienced staff will make sure your student is assigned all subjects necessary to earn a diploma.

Students must have a minimum of twenty (20) credits in key subject areas in order to graduate through Christian Liberty. Use the following list to ensure you are meeting our graduation requirements as you make your selections.*

Theological Studies	4.0 credits
English	4.0 credits (including 1.0 credit of grammar and 0.5 credit research paper)
Mathematics	2.0 credits (including 1.0 credit of Algebra 1 or higher-level algebra)
Science	2.0 credits (including 1.0 credit of biology)
Heritage Studies	5.0 credits (including 1.0 credit of government and 1.0 credit of economics)
Additional Courses	3.0 credits minimum (student may select from any available courses)
Art, Music, and Phys. Ed.	No academic credit awarded (subjects assigned each year; requirements are set by family)

* Students transferring into Christian Liberty Homeschools at tenth grade or higher may be eligible to waive some Theological Studies and/or Heritage Studies credits, as long as their credit total still meets the twenty-credit minimum. For details, see page 8 in the *Christian Liberty Homeschools* brochure or go to "Transferring into the High School CLH Program" on our website at www.homeschools.org/high-school-requirements.

Listed below are the available courses offered under High School Choice. Each includes the following information:

- course number
- course name
- publisher of the primary text
- amount of academic credit awarded for successful completion
- additional course charges (if applicable)
- any prerequisites or other limitations (if applicable)
